

NOTICE OF CALL FOR EXPRESSIONS OF INTEREST CVE/401•23 5754

Title: Services for technical training on climate change

Maximum budget: 150 000 EUR - Performance period of eight (8) months

The Luxembourg Agency for development Cooperation (LuxDev) launches a Call for expressions of interest for the acquisition of services for **Services for technical training on climate change** on behalf of Climate Action Programme (CVE/401) receiving financial support from the governments of the Republic of Cabo Verde and the Grand Duchy of Luxembourg.

Services providers that are invited to express their interest to offer the services mentioned above are all legally established companies governed by private law (excluding non-governmental organisations, not-for-profit organisations and public operators) and **specialised in strengthening the technical capacity in issue related to climate change**.

Indicatively, services providers will have to demonstrate their technical capacity and experience in providing tailored training to various institutions (representing the public and private sectors and the civil society) on issues related to climate change, using successful methods for adults' learning. Specific themes to be covered include (i) mainstreaming climate change and disaster risk reduction into central and municipal planning; (ii) access to finance and resources for climate action; (ii) nature-based adaptation and valuation of ecosystem services; (iv) investment in climate-proof infrastructure; (v) monitoring and evaluation of progress in NDC implementation (including adaptation, mitigation and financing), and, to make sustainable what is intended to be a capacity-building cycle, (vi) training of trainers.

The consulting team must be able to communicate in Portuguese.

The start of the contract is foreseen for June 2023 and for a duration of eight (8) months. Services providers must be available for the entire period foreseen and willing to intervene in Santiago Island and São Vicente Island – Cabo Verde. The maximum budget available for this contract is estimated at 150 000 EUR (all taxes excluded).

Interested services providers are invited to submit sufficient documentation to respond to the selection criteria. **The dossier, including the selection criteria and the application form, is available on request at the address given below.**

The shortlist of candidates invited to submit a full offer will be established of a minimum three (3) and maximum eight (8) candidates evaluated as qualified and ranked, if necessary, against the selection criteria.

Expressions of interest, exclusively drawn up in English, must reach the following address by email no later than **02.05.2023 at 10h00** am (local time):
