Maximum budget: 48 200 EUR - Performance period of 31 months of which 08 months to implement and operationalize the portal

The Luxembourg Agency for development Cooperation (LuxDev) launches a Call for expressions of interest for the acquisition of services for the design and operation of the climate portal on behalf of programme CVE/401 receiving financial support from the governments of the Republic of Cabo Verde and the Grand-Duchy of Luxembourg.

Services providers that are invited to express their interest to offer the services mentioned above are all legally established companies governed by private law (excluding non-governmental organisations, not-for-profit organisations and public operators) and specialised in **design and operation of the climate portal**.

Indicatively, services providers will have to demonstrate their technical capacity and experience in **design, operation, and maintenance of electronic portals on cross-cutting issues**.

The consulting team must be able to communicate in Portuguese.

The start of the contract is foreseen for June 2023 and for a duration of 31 months, of which 08 months to implement and operationalize the portal. The remaining 23 months will be dedicated to its maintenance and to update contents. Service providers must be available for the entire period foreseen and willing to intervene in Praia – Santiago Island, Cabo Verde. The maximum budget available for this contract is estimated at 48 200 EUR (all taxes excluded).

Interested services providers are invited to submit sufficient documentation to respond to the selection criteria. **The dossier, including the selection criteria and the application form, is available on request at the address given below.**

The shortlist of candidates invited to submit a full offer will be established of a minimum three (3) and maximum eight (8) candidates evaluated as qualified and ranked, if necessary, against the selection criteria.

Expressions of interest, exclusively drawn up in English, must reach by email no later than **02.05.2023 at 10h00 a.m.** (Cabo Verde's local time):
