

**NOTICE OF CALL FOR EXPRESSIONS OF INTEREST CVE/083 • 18 0643**

**Title: Advisory Service to Elaborate Cabo Verde Smart Grid Roadmap**

Maximum budget: 159 560 EUR – performance period of 7 months

The Luxembourg Agency for Development Cooperation (LuxDev) launches a Call for expressions of interest for the acquisition of an **Advisory Service to Elaborate Cabo Verde Smart Grid Roadmap** on behalf of Program CVE/083 receiving financial support from the Governments of the Republic of Cabo Verde and the Grand Duchy of Luxembourg.

Services providers that are invited to express their interest to offer the services mentioned above are all legally established companies governed by private law (excluding non-governmental organisations, not-for-profit organisations and public operators). Given the expertise required for a Smart Energy Roadmap, it is critical that a team of experts in this field performs this work. Thus, a consulting firm with a proven track record, that has implemented Smart Grid Projects and is on the forefront of the technical as well as political debate on the Smart Energy Future, is being sought for this activity.

Indicatively, the service provider will have to demonstrate its team's technical capacity and experience in electric power systems modelling, power systems engineering, energy management system, energy economic, renewable energy grid integration and energy policy planning. Candidates should be able to communicate in Portuguese language and must include a national expert with knowledge about Cabo Verde energy sector.

The start of the contract is foreseen for the first week of October 2018 and for a duration of 7 months. Services providers must be available for the entire period and willing to intervene in Praia – Santiago island – Cabo Verde. The maximum budget available for this contract is estimated at 159 560 EUR (all taxes excluded).

Interested services providers are invited to submit sufficient documentation to respond to the selection criteria. The dossier, including the selection criteria and the application form is available on request at the address given below.

The shortlist of candidates invited to submit a full offer will be established of minimum three (3) and maximum eight (8) candidates evaluated as qualified and ranked if necessary against the selection criteria.

Expressions of interest, exclusively drawn up in English, must reach by email no later than **22.08.2018 at 10h00** (local time):
