NOTICE OF CALL FOR EXPRESSIONS OF INTEREST KSV/801 • 21 3701

Title: Development and implementation of the Tracer Study Information System (TSIS)

Maximum budget: 75 000 EUR – performance period of 20 months

The Luxembourg Agency for Development Cooperation (LuxDev) launches a Call for expressions of interest for the acquisition of services for the development and implementation of the Tracer Study Information System (TSIS) on behalf of Project KSV/801 receiving financial support from the European Union.

Services providers that are invited to express their interest to offer the services mentioned above are: all legally established companies governed by private law (excluding non-governmental organisations, not-for-profit organisations and public operators), and specialised in the field of ICT and software development.

Indicatively, services providers will have to demonstrate their technical capacity and experience in the field of ICT and software development.

The start of the contract is foreseen for April 2021 and for a duration of 20 months. Services providers must be available for the entire period foreseen and willing to intervene in Pristina/Kosovo. The maximum budget available for this contract is estimated at 75 000 EUR (all taxes excluded).

Interested services providers are invited to submit sufficient documentation to respond to the selection criteria. The dossier, including the selection criteria and the application form is available on request at the address given below.

The shortlist of candidates invited to submit a full offer will be established of minimum three (3) and maximum eight (8) candidates evaluated as qualified and ranked if necessary, against the selection criteria.

Expressions of interest, exclusively drawn up in English, must reach the following address by email no later than **16.03.2021 at 14:00** (local time):
